No School

Dear Parents,

February already, we hope you are all enjoying the beautiful weather we are blessed to have living in South Florida. What a great time of year to be outdoors and to explore nature. We are completing registration for our currently enrolled students for the 2017-2018 school year. Please be sure that all forms and fees are turned in to the office. We have begun contacting the people on our waiting lists. If you know of anyone who may be interested, please suggest they call the school or stop by for a visit. And thank you for referring others to our school.

Book Fair

Our Scholastic Book Fair will be delivered around the 17th of February. It will be open through the following week. We will be needing volunteers to help and if you are interested, please let Laura Know. A sign-up is posted on the office door.

Imagination Room

The Kingdom will be opening soon, we are in need of volunteers to help with this transformation February 15 and 16 please sign up on the board outside the Imagination room. Thank you in advance for your help

The Little Farm

The Little Farm will be coming to Seton Ridge on March 6th and 7th! The children always enjoy this special visit and we all look forward to seeing and learning about the animals. The Little Farm costs have gone up and they charge the school a fee of \$7.00 per child. If you would consider making any donation amount we would appreciate the help. Thank you so much for your consideration.

Teddy Bear Clinic

On February 16th and 17th Broward Health will be hosting a clinic for all classes to have a health checkup for our Teddy Bears'. We are so pleased that they have offered to bring this program to our school.

Camp Seton

Thank you for your response to our survey. I would like to announce that we will be having summer camp. Pre-Registration will be going out the first week of March and formal registration will be due by March 27. We are excited about this new adventure.
